BUNDLE & SAVE

Save when you buy a whole home system (water softener + Reverse Osmosis or water softener + Carbon Filter or water softener + PFAS Filter) to enjoy purified drinking water and soft household water.

Reverse Osmosis

- Tested and trusted to reduce impurities
- Faster flow rate to deliver the best clean water quickly
- 3, 4, & 5 stage availability to fit various water treatment needs

Whole House Carbon Filter

A whole-house filter system treats all water traveling to any faucet or fixture in the home. It removes impurities, chlorine, chloramines, and improves taste & odor.

PFOA/PFOS Filter

- Removes Lead, Cyst & PFOA/PFOS
- PIONEER™ is specifically designed at a 0.5-micron nominal filtration level, to remove both **particulate and soluble lead** from your drinking water.
